**"MONEY MAKERS"**

**APRIL 13, 1968**

SOUTHERN IOWA FAIRGROUNDS

Some of the good young bulls in the lots of Dr. and Mrs. Glenn Miller, Hannibal, Missouri. They are consigning three bulls and two heifers to this sale.

## THE CENTRAL STATES SALE

*“Sale of the Money Makers”*

OSKALOOSA, IOWA

SATURDAY, APRIL 13, 1968

42 BULLS

37 FEMALES

There is a reason why this sale has become known as "The Sale of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

**Gilbert Kardel, Walcott, Iowa, poses Marberdor Prospectus 12th, his reserve champion bull at a former Oskaloosa Sale. Kardel is consigning two bulls to this year's sale.**

## GENERAL INFORMATION

**TIME**—The sale will be held Saturday, April 13. The show will begin at 8:30 a.m. Sale will start at 12:00 noon.

**LOCATION**—Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

**TERMS**—Terms of this sale are cash unless other arrangements have been made with consignor from whom you purchase and the sale manager is notified.

**GUARANTEE**—All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.

**LIABILITY**—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

**LUNCH**—Lunch will be served on the grounds by the ladies of the Central Reform Church.

**AUCTIONEER**—Tom Sherlock.

**SALE MANAGER**—Bill Stunkel, 1228 N. Nye Ave., Fremont, Nebraska.

**RINGMEN**—Arch Stone, Wallace's Farmer; Wayne Farnum, Victor, Iowa, and Adrian Meierotto, West Point, Iowa.

## THE SALE OF MONEY MAKERS

Oskaloosa has been nicknamed, and rightly so, "THE SALE OF THE MONEY MAKERS". Study the list of consignors . . . study the wealth of breeding in the consignments . . . refer to past sale averages at Oskaloosa. You will come to the conclusion that nowhere are more good "honest" bulls and females offered and at prices that the average farmer and breeder can afford to pay. Buy the breeding that has won at the International, National Western, Ak-Sar-Ben National and other top shows and sales in this District Sale event. While some breeds are being promoted into prominence, the Shorthorn breed is **PERFORMING ITS WAY** into the hands of more and more cattlemen. If you are not a Shorthorn breeder, join the ranks of America's most stable and dependable cattle breed.

# STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.
